If you preferred you could go to Krabi area instead of Phi Phi or maybe you wanted to visit Phang Nga area and James Bond Island. On a private charter any of the different itineraries are yours to choose.(You would still need to visit Maya Bay / James Bond on different days - some Companies will tell you that you can do it in one day - you can, but believe me you would not enjoy it - constant rush - no time to enjoy!) The transfer to / from you hotel is included (The transfer is private just for your guests) as are the other items mentioned above. With a private charter you also have the option of adding our 'Gourmet Food' menu (see http://www.charteryachtsphuket.com/gourmet_menu.html) at an additional cost of Baht 1450 per person. National Park fees are payable locally (or we can prepay them for you). On a private charter there are three crew (Licensed captain, Boat Boy and Hostess)
